May 2019

Dear Parents:

You may have a child who will be in grade 2 next fall and is a potential candidate for Sacrament of Reconciliation and First Communion at St. Anne Parish. We the faith community of St. Anne's is looking forward in celebrating this great event with your child and family.

As Pastor I am reasonable by Canon Law and Diocesan Policies that all the requirements are completed in a proper time for the celebration of these sacraments for your child.

The Parish Catechist for First Reconciliation and Eucharist will run for one hour once a month starting the in fall and run until late Spring. It is designed to help deepen your family relationship with God and with your parish faith community. Each parish within the city will be teaching the same catechist classes which you and your child are being asked to attend at your parish of worship. **The Parish Catechist classes is part of the preparation for the sacrament and a requirement for your child to receive this sacrament this coming year.**

Therefore, if you are members of St. Anne Parish there will be a registration and information evening planned for June 12, 2019 at 6:30p.m. at the parish hall, I ask that both parents try to attend this meeting. If you are not a member of St. Anne parish you will need to contact your parish to fine out when their meeting will be.

Finally, if your child isn't baptized Roman Catholic, they should be baptized before September 2019, please contact the parish office soon as possible, as it takes some time to process the paper works and prepare family for the sacrament.

Also, please note, that a non-baptized Catholic isn't required to receive these sacraments to remind in Catholic school system.

Looking forward in see you at the June 12 meeting.

Thank you  
Yours in Christ

Fr. Randy Foster &  
Catechist Team
